# How to Post on Your Facebook Timeline on Your iPad
## www.bridgingapps.org

1) Log into your Facebook account and click on "Status"

2) An "Update Status" bar will open where you will type what you want to say.

3) If you want to add a photo, click the camera icon and your camera roll will open. Choose the photo(s) you want to add by clicking on them and click "Done".

6) Click "Post" and your words and photo will now appear on your Facebook wall.
