

**DIGITAL NAVIGATORS** are trusted guides who assist community members in internet adoption and the use of computing devices. Digital navigation services include ongoing assistance with affordable internet access, device acquisition, technical skills, and application support.

#### WHO CAN A DIGITAL NAVIGATOR ASSIST?

Anyone in our community who would benefit from one-on-one assistance as described above. Some examples include:

- A jobseeker who need new digital skills to complete online applications
- An older adult who received a tablet as a gift and wants to learn what they might use it for
- A family that needs faster home internet access for schoolwork and would like to learn about a potential discount through the Affordable Connectivity Program

#### HOW DO I CONTACT A DIGITAL NAVIGATOR?
